

Technical Operations Specialist

Training provided! Join [Jysk Diamantskæring A/S](#) in Denmark for dynamic work as a cutter. Growth & variety await you.

Location: Denmark (Aalborg, Aarhus, Herning, Esbjerg, Kolding, Roskilde)

Employment Date: Immediate, with flexibility for the right candidate

About Us:

Jysk Diamantskæring A/S, the premier nation-wide concrete cutting company in Denmark, is on the lookout for new talent to join our team as Concrete Cutters.

Our work involves core drilling, cutting in concrete, bricks, and asphalt, and more. With offices across Denmark, we offer a dynamic and engaging work environment where no two days are the same.

Your Role:

As part of our team, you'll face a variety of challenging tasks across Denmark. Using industry-standard tools from Hilti, Husqvarna, HTC, and Tyrolit, you'll push the limits of technology in concrete cutting, ensuring personal safety and efficiency.

Who We're Looking For:

We're looking for candidates with a background in industrial or technical roles, such as process operators or industrial technicians, ready to expand their skillset into our specialized field. Ideal candidates are:

- **Adaptable and Eager to Learn:** Prior experience in concrete drilling or cutting is beneficial but not required. Comprehensive training will be provided to equip you with the necessary skills.
- **Independent and Customer-Oriented:** You should be capable of working independently after a training period, with a strong focus on understanding and meeting customer needs.
- **Team Player with Good Communication:** Fluency in English is essential for team and client interaction. We also offer language courses for non-Danish speakers to foster effective communication at all levels.
- **Physically Fit and Detail-Oriented:** The nature of our work demands physical fitness and attention to detail, ensuring quality and professionalism in every task.

Requirements:

- Valid driving license (category B); trailer driving license (B/E) is a plus.
- Willingness to attend a Danish language course if not already proficient.

Why Join Us?

At Jysk Diamantskæring A/S, you'll be part of an innovative team that values safety, efficiency, and a supportive work environment. We're committed to your professional development, offering the chance to gain specialized skills in concrete cutting alongside experienced professionals.

We value diversity and invite applications from all backgrounds, regardless of gender, age, nationality, or religion.

Please know that only applicants **with EU citizenship** are taken into consideration for the current positions.

The company offers: *Permanent position / Full-time*

Driver's license: B Almindelig bil
