

## Skilled Smith/Welder - Stainless Steel Specialist

Join [Viftrup Jespersen](#) as a Skilled Smith/Welder specializing in stainless steel.

*About the Role: You will play a key role in welding and assembling stainless steel conduit pathways and mounting these installations. The role also includes various small-scale welding tasks, such as setting up frames for I/O cabinets. Your expertise will ensure high standards of quality and precision.*

### Responsibilities:

- Weld and assemble stainless steel conduit pathways/trays.
- Mount installations accurately, making necessary adjustments.
- Undertake small welding tasks, focusing on stainless steel I/O cabinets.

### Qualifications:

- Proven experience in stainless steel welding with strict adherence to safety and quality standards.
- Ability to interpret technical drawings and specifications.
- Independent worker with strong collaborative skills

### Personal Qualities:

- Strong attention to detail and a methodical approach to work.
- Basic understanding of English sufficient to understand work instructions and safety procedures.
- Committed to professional development and continuous learning.

### Work Schedule Flexibility:

- We offer a flexible working schedule that includes a standard 37-hour week or the option to work 60 hours per week for 2-3 weeks, followed by 1-2 weeks off. This schedule is particularly suited for employees who may wish to travel home during their off weeks.
- We assist with accommodation and help facilitate the process of obtaining a residence permit and other necessary documentation.

### We Offer:

- Competitive salary based on qualifications, with comprehensive benefits including private health insurance and a pension plan.
- Adherence to industry collective agreements, with local perks like 50% off local gym and swimming pool memberships.
- Stable employment in a well-established company.
- Full-time

**Application via website:** [APPLY](#)

- Application deadline: 25 June 2024

Date of employment: As soon as possible

### CENTRAL DENMARK

Central Denmark offers the fierce North Sea to the west and the calm Kattegat to the east, surrounded by nature and still with easy access to the pulsating city life.
